Explanation for the columns and abbreviations in this transcript:

In the first column the type of study programme element is listed by the following abbreviations:

- RAM Enrolment/Overall study programme
- UDD Specific study programme
- STU Study curriculum
- GRP Group of study activities
- EKA Study activity (course, project or thesis examination)
- UVA Study activity (course teaching)

The column "Norm/min" shows the credits for the given activity, for programs it shows the official length of programme and for groups it shows the minimum required credits to pass the group.

The column "Lacking" shows the credits not passed for activities, groups and programs.

The column "Term" shows which semester the result belongs to. S16 means the summer examination in 2016 and V17-18 means the winter examination in 2017-18. The letter "r" after the term means that result belongs to terms the re-examination period.

The column "Marked" shows the date of the result (examination date).

The column Result shows the mark, given in the Danish 7-scale (absolute mark). The equivalent ECTS-grade is displayed in parenthesis.

The column "Passed" shows the credits in total for the passed activities, groups and programmes.
